

Summer Programs 2010

Middle and High School Summer Reading

Students will work with an instructor in small group book study on assigned novels to be read for preparation of fall classes. They will focus on discussing the plot, characters, and general themes. The required writing activities will be incorporated into the activities. Independent reading is required and all summer reading requirements may not be completed during this time frame. Check the ASA website to see what each grade will be reading.

Dates: Middle School July 12-15
High School July 19-22
Location: HMC Room 4
Cost: \$150
Times: 9:00-11:30 AM
Grades: 6-12 (Separate sessions for HS and MS)
Instructors: Middle School-Christie Richa
High School-Ryan Walsh

iLearn Through Technology

Come explore the use of technology to aid in reading, writing, foreign language, math, organization, etc. Bring your favorite piece of technology from home, such as itouch, iphone, ipad, laptop, no notebook to the technology enhanced workshop (or we can provide an Apple laptop during class.) We will learn the applications technology has for learning and education. Parents are encouraged to audit the class along with their students.

Dates: June 28, 29,30
Grades: 6-12
Times: 9:00-11:30 AM
Location: Hollis Media Center Room 2
Instructors: Victoria Lewis, Joyce Barclay
Cost: \$150 per session

Gearing Up For Physics

Students enrolled for 9th grade Physics next year and who feel they need to strengthen their Algebra I skills should consider this math review class. Students who have a gap of time between Algebra I and Algebra II may also benefit from this short course of review. Broad physics terminology and concepts will be pre-taught to build confidence.

Dates: July 26-August 5 (Monday-Thursday)
Times: 9:00-11:30 AM
Grades: 9th Graders
Location: Room 7 Hollis Media Center
Instructor: Kristy Brown
Cost: \$300

The mission of the Academic Center at All Saints' Academy is to be a network of parents, teachers, student and Academic Center staff working together to support students in their quest for higher learning. Each summer we offer courses to help students prepare for the coming school year and to improve skill areas.

Academic Courses

Summer 2010

One to One Instruction

Summer tutoring will enable your child to strengthen his/her basic skills or to improve in a specific subject area. Tutors are matched carefully with your students' needs and individual skills. Students may contract for a range of hours per week depending on their goals and needs. Students can make significant gains in learning skills and increase confidence working with an educator one-on-one.

Cost: \$500 per 10 hour block of tutoring
Grade levels: Pre-K - 12
Scheduled by appointment in the Academic Center

Write On!

Students will work to improve writing through use of webbing software, advanced word processing tools and other assistive technology. The writing process will be reviewed with an emphasis on paragraph and essay writing.

Dates: Middle School July 12-15 **Cost:** \$150
 High School July 19-22
Times: 12:30-3:00 PM **Grades:** 6-11
Location: Hollis Media Center Room 2
Instructors: Stacy Shroyer, Ryan Walsh (HS) Christie Richa (MS)

Summer Reading Clinic

Reading is the key to success in school and life. If your student is between grades K - 3 and having difficulty with reading, spelling, and writing this unique research-based instructional approach from Orton-Gillingham may make a difference. This program will be taught by ASA teachers/tutors who have received special training in the O-G Approach. Customized instruction based on individual needs will be offered in small group ratios of 1-3 students.

Dates: June 7-24 (Monday-Thursday) **Location:** Bostick Campus
Cost: \$600 **Times:** 8:30-12:00 PM

Learn2Learn for Middle School

Entering and returning middle school students will be oriented to the rigors of their new curriculum and grade expectations for the new school year. Students will learn strategies that will ease their transition to middle school and set up patterns of success for all their middle school years, such as note-taking, textbook reading, time management, and test-taking.

Dates: July 19-22 **Instructor:** Cheryl George
Times: 9:00-11:30 AM **Cost:** \$150
Grades: entering 6th, 7th and 8th Graders
Location: Hampton Campus H-2

Math Pizzazz

This math camp will focus on strengthening basic math skills to prepare for fall math classes. An excellent warm-up for entering sixth-graders, and all new middle school students, the Pizzazz class will provide practice with fractions, decimals, integers, etc.

Dates: July 26-29 **Instructor:** Nikki Hoagland
Times: 9:00-11:30 AM **Cost:** \$150
Location: HMC Room 4 **Grades:** 6-8

Jumpstart for Learning Pre-K and K

This program will orient Pre-K/Kindergarten students to their new school or new year. Activities to jump-start their thinking, on-task work habits, and social skills will be included. An introduction to their new school environment help relieve anxiety and first day jitters.

Dates: July 26-29 **Instructor:** Karen Zacka
Times: 9:00-11:30 AM **Cost:** \$150
Grades: Pre-K - Kindergarten
Location: Bostick Campus Room 7
