BOUNDLESS OPPORTUNITY

2010 - 2011

### MISSION

All Saints' Academy is a college preparatory school, grades PreK through 12, affiliated with the Episcopal Church. Its mission is to nurture the development of each student academically, spiritually, socially, emotionally and physically in preparation for a successful and productive life in a complex world.

### THE SCHOOL

Located on a 60-acre school site in Central Florida, All Saints' Academy is a fully accredited, coed, college preparatory day school, PreK through Grade 12, affiliated with the Episcopal Church. Founded in 1966, All Saints' addresses the broad range of human development and provides students with an enriching program guided by the spiritual and educational principles of the Judeo-Christian tradition. Comprehensively and inclusively, All Saints' Academy values diversity of religious beliefs, races, and creeds.

All Saints' has a full range of Lyceum Merit Studies and AP courses for students who are prepared to accept the most challenging academic workload. In its approach to education, All Saints' Academy fosters exploration and the quest for knowledge. Academic expectations are rigorous, commitment to the arts is integral, and athletics foster the best principles of teamwork.

### FACULTY

All Saints' Academy employs 72 full time faculty members (2 with PhD's, 42% with advanced degrees, 71% with 10+ years of experience, 53% with 15+ years of experience).

## LYCEUM MERIT STUDIES

The Lyceum Merit Studies Program complements All Saints' Academy's core college preparatory curriculum by offering academically gifted students opportunities to analyze and synthesize subjects with greater depth and breadth.

The pace of Lyceum courses is accelerated to stimulate higher-level thinking skills and develop the intellectual, social, emotional, and aesthetic potentials of students. While specific benchmarks vary by the unique demands of individual academic disciplines, all Lyceum courses are taught with AP-level benchmarks as a goal. If a student completes a minimum of 16 courses with "Lyceum" and/or "AP" designation prior to graduation, maintains a minimum GPA of 3.5, and completes and presents an approved field project, the student is recognized as a Lyceum Scholar.

## GRADE POINT AVERAGE/CLASS RANK

All Saints' Academy operates on a two-semester calendar year. Each semester concludes with a semester examination constituting not more than 20% of the semester grade.

A cumulative grade point average is calculated for each student and reflects grades earned at All Saints' as well as credits transferred from other accredited secondary schools. In addition, high school credits earned during middle school are included in the cumulative grade point average.

All Saints' Academy does not report class rank due to the academic nature of the school, the size of each class, and the interest in reducing unhealthy competition among students. Because of All Saints' selective admission policy and its demanding college preparatory curriculum, the specific ranking of students requires making distinctions based on too fine a margin. The students are compared by the strength of their academic load as well as their performance.

## STATEMENT OF DISCLOSURE

All Saints' Academy believes in maintaining confidentiality in matters of student discipline. Our main interest is in helping students learn from inappropriate behavior, and in refocusing their actions toward more positive outcomes. When the safety of students could be affected, when the criminal code is violated, when grave disciplinary offenses occur, when the student has been expelled from ASA, or when the student requests disclosure, we respond to inquiries.

## ADVANCED PLACEMENT 2010
